MIKE GRIFFIN
Host Pastor

It is my privilege to invite you to attend the annual Northeast Georgia Bible Conference! This year will be our 14th conference and sure to be one of the best.

I am excited about the men who will be coming to preach the Word this year! Evangelist Bill Sturm will be back with us for his 12th conference! Bro. Bill has proven that he knows how to present Biblical principles in a very practical manner. Pastor Wayne Robertson, our dear friend and Hart County native will also be with us. Bro. Wayne truly is a pastor's pastor and I know you will be blessed by his preaching. Dr. Richard Belcher is well-known to the Liberty fellowship as well. His leading of the missions organization Evangelizing India for Christ has offered opportunities for our church to reach halfway around the world in sharing the gospel. I know you will be blessed by his preaching. Rounding out our Bible conference is Wayne Hamrick. Bro. Wayne is currently serving as president of the Georgia Baptist Convention. He will be sharing during our Wednesday noonday luncheon.

In addition to the great preaching there will be heart-stirring singing by Martha Sturm, the Liberty Quartet and Liberty's music ministry.

You don't want to miss this year's conference. If you need encouragement and personal revival then look no further. I look forward to seeing you and your friends this summer.
